

3RD QUARTER FOOTBALL GAME SNACK

Our children are hungry and thirsty after performing!

All families are asked to contribute to 3rd quarter snack

Two ways to satisfy your donation:

1. \$35 payable to HBPA
You are now paid for the season!
2. Weekly snack donation
(Every week during Marching Band season)
Enough to feed 12-15 students

What is 3rd quarter snack?

Each home football game, our Drum Majors invite the opposing team's band to share drinks and snacks following the halftime performance (3rd quarter). This time allows each band to re-energize and rehydrate. It also affords the students from both bands to get to know each other and to foster camaraderie. This intention is for our competing bands to encourage and support each other during competition season. HBPA also provides snack for our band members at away football games.

Suggested Snacks
