What is Remind101?

WHAT IS IT?

Remind101 provides a safe way for teachers to text message students and stay in touch with parents for free.

Teachers use remind101.com, the Android or iOS app to send texts to students and parents' phones without ever having to share their own phone number.

Students and parents also never have to share their phone number with teachers. Ever.

WHAT MAKES IT SAFE?

Teachers never see their students' phone numbers, students never see theirs. Remind101 is a one-way broadcast system. Teachers cannot send individual messages to students and parents and they cannot reply.

Remind101 also keeps a log of all message history which can never be edited or deleted. Teachers never see their students' phone numbers, students never see theirs. Remind101 also keeps a log of all message history which can never be edited or deleted.
